

Bullet Fired Into Temple While in Car

Fred C. Winkler, 19, Missing Two Days, Is Victim

With a bullet hole in the right temple, the body of Frederick C. Winkler, 19, sophomore student of Stanford University, was found slumped in the front seat of his car on the Sand Hill road near the Stanford golf course Wednesday night.

The boy's father, H. O. Winkler, 1131 Tower street, Beverly Hills, was notified and is due here momentarily by airplane.

The student, who was registered from Beverly Hills, may have become mentally upset over the strain of his school work, or suffered an unhappy incident which caused him to choose death, according to authorities.

Outwardly, the shooting indicated suicide, according to authorities, but the possibility of murder was being investigated.

A two-word suicide note written in green ink on the inside cover of a notebook was found late today. They read "suicide blonde."

Kinkler was prominent socially on the campus and had a high scholastic standing. Another note found among his personal effects hinted at unhappiness and this may have been the motive behind the shooting.

It was unsigned, but was written in green ink, which Winkler's school notebooks indicated he used. The notation on happiness was handwritten on the back of a receipt for the 1934 automobile fee of Merrick Winkler.

It read: "Happiness is a wonderful thing—the most precious thing anyone can have—and it should be the goal of everyone, no matter who they are, what they are, or how they got that way—Guard your happiness as your most treasured possession."

"I lost it and was defeated in the battle to regain it."

Three letters received by Winkler from a girl friend, identified as Miss Betty Geary, 922 North Crescent drive, Beverly Hills, were found in a black "safety deposit" box found in the youth's car.

They were addressed "Dear Tim" and were signed "Love, Betty Geary," "Bet," and "Betty."

These letters came from Beverly Hills on October 16, 1933, December 18, 1933, and January 18, 1934.

They dealt with school work both were doing and the progress each was making.

Miss Geary, a student at the University of California at Los Angeles, told Winkler in the first letter that the Stanford-U.C.L.A. game was not the "track meet" he had prophesied; in the December 18 letter she invited him to be her guest for the Rose Bowl game on January 1, and in the January 18 letter she told him of a trip her zoology class had made.

The body of Winkler was found by three fraternity brothers from the Chi Psi house. They reported him missing since Monday night.

Jurors Find Giusti Guilty After Two Hours of Debate

Umberto Giusti, 37, former Italian operatic impresario, was found guilty of first degree murder with a recommendation of life imprisonment here yesterday by a jury in Superior Judge Franklin Swart's court on the charge of murdering Miss Emilia Da Prato, his sweetheart.

The verdict was read at 3:25 p. m.

The packed courtroom was silent as the verdict was read. Giusti buried his face in his hands.

Trial of Giusti's second plea of not guilty by reason of insanity may proceed tomorrow before the same jury. Court was recessed by Judge Swart immediately after the verdict was given.

The jury retired for deliberation at 12:55 o'clock this afternoon.

The panel was given the case with the completion of arguments by District Attorney Edmund Scott and Defense Counsel Albert Mansfield, and instructions by Superior Judge Franklin Swart.

Mansfield broke into tears and wept openly as he concluded his final argument and placed the fate of his client in the hands of the jurors.

Scott charged in his arguments that Mansfield had put up a two-

phase defense: (1) that because Giusti and Miss Da Prato had allegedly lived together as man and wife for a number of years Giusti had a right to kill her; and (2) that the gun, an automatic, went off accidentally after it had failed to explode when Giusti pressed it to his own temple in a suicide try.

The district attorney disputed Giusti's story of an "accident," charging the defendant took deliberate aim as indicated by the fact three of the four bullets fired from the gun struck her.

Mansfield asserted he did not hold that Giusti had any right to kill Miss Da Prato under any circumstances. He did, however, emphasize the defense's case as based upon the accident theory.

He told the jury that if the defective shell had exploded, Giusti would have been dead and the jury would never have had the case. He asserted that Giusti was unfamiliar with the gun and that in an effort to dislodge the defective bullet, it went off and fired the four good shells.

Mansfield said the "case at its worst" is one which would justify no more than a manslaughter verdict. Scott asked for conviction on a first degree murder charge, but did not specifically request the death penalty.

JUDGE JAMES HANNON, 93, DIES AT HIS HOME IN R. C.

Judge James Hannon, 93, for 22 years justice of the peace of the Third Township of San Mateo county, died at 7:30 o'clock on Thursday at his home at 320 Stambaugh street.

Born in Ireland on December 10, 1840, Judge Hannon came to San Francisco in 1867. He moved two years later to Redwood City.

The body was found two nights later, still warm, indicating that death had occurred only a short space before. No indication was had as to where Winkler spent the intervening time.

John Peckman, Giff Meyers and Ray Freer, fellow students, found the body when they went to the Sand Hill road, where they knew Winkler occasionally went to study.

The gun, a .22 caliber Colt automatic, was found on the floorboard of the car. On the seat were Winkler's school books. Two of them were entitled, "Human Nature and Conduct," and "Habits Formation and the Science of Teaching."

Winkler, in an unmailed letter to William W. Winkler, 150 Iota court, Madison, Wis., who is believed a brother, wrote that he was preparing a paper on "How to Break Habits," and remarked, "by one who never tried."

Campus police notified Sheriff James J. McGrath's office and Deputy Sheriff Thomas Maloney and Deputy Coroner John Layne claimed the body. Dr. J. C. McGovern said an inquest will probably be held next Tuesday. The body is here.

Greater Ease Of Telephone Use Studied

C. C. Told of Service To Assist Local Businesses

Two types of telephone service designed to provide easier communication from surrounding districts and communities with Redwood City business firms were outlined to the directors of the Redwood City Chamber of Commerce at their meeting Tuesday afternoon in a report from L. C. Brown, manager of the Pacific Telephone and Telegraph Company here.

Mr. Brown's report was made at the request of the chamber, which was of the opinion that subscribers to such exchanges as San Carlos, Belmont, Woodside and Palo Alto (which serves part of Atherton and Menlo Park) found a barrier raised in the way of normal business calls because of the 5-cent extra charge on such calls.

First of the two suggested services is the "inter-exchange receiving service," by which any Redwood City business telephone subscriber may make it possible for outside subscribers to telephone him without their paying the regular inter-city charge.

A special telephone number listing the firm or individual may be inserted in the Palo Alto directory, for instance, and Palo Alto exchange subscribers calling that number would be connected with the local firm. The Redwood City business would be charged the regular inter-city rate together with a service charge of \$3 a month.

Rolph Plans To Visit R. C. February 21

Gov. James Rolph Jr. will stop in Redwood City on Wednesday, February 21, on his statewide tour, which will start on February 9, according to his itinerary as announced today. A banquet here is being arranged in his honor.

On that day the governor plans to visit Los Gatos in the morning and then proceed to Santa Cruz for a conference and a luncheon. His party will then come to Redwood City, stopping at various towns and cities on the way. After his visit here, the party will go to San Francisco.

Governor Rolph plans to visit every county seat in California and many other cities and towns on his tour, which will extend to March 31. He will travel by automobile and airplane with Earl Lee Kelly, director, and Eric Cullenward, deputy director of the department of public works.

Despite the forthcoming gubernatorial election in which Governor Rolph will face strenuous competition in his expected campaign for re-election, there will be nothing political about the tour, according to the chief executive.

"This tour is in no sense a political one," he declared. "It is taken solely to obtain first hand knowledge of the condition of California. I want to know the problems of every section of the state and particularly do I desire to take steps aimed to retain men and women in profitable employment."

"I was the first governor ever to visit many sections of this commonwealth and have been deluged with invitations from the far corners of California to visit again my fellow Californians."

The trip will not be a continuous one but is arranged so that the governor may return to Sacramento from time to time to carry on state work.

Rapid Action On Local P.O. Is Foreseen

Definite action on Redwood City's proposed new postoffice within the near future was anticipated here today by Howard I. Wood, secretary of the chamber of commerce, upon receiving a letter from Congressman John J. McGrath reporting that progress is being made on completion of the plans by the department's supervising architect. The plans were practically complete at one time but are now being revised to come within the allotment from public works administration funds of \$86,000 over and above the cost of approximately \$20,000 for the Jefferson avenue site.

"While I do not wish to be unduly optimistic," McGrath wrote, "I know that the department is moving very rapidly in postoffice matters and that Redwood City stands well up in line."

The congressman's letter was in response to a request from Mr. Wood for information regarding the status of the local project.

A total of \$115,000 was originally appropriated for the Redwood City postoffice, but a general cut of 10 per cent was later made, and a further reduction is now being made to put the job under the P.W.A.

City's Fund To Foundation Totals \$197.31

Draft Is Sent Today By Mayor Dusel To New York

Redwood City's contribution of \$197.31 to the Warm Springs Foundation, netted from the local ball in honor of President Roosevelt's birthday on Tuesday night, was on its way east today.

Mayor William J. Dusel, chairman of the committee for the ball, sent a draft for that amount by air mail this morning to Keith Morgan of New York, treasurer of the foundation fund.

The sum sent represented the net proceeds of the dance in Forsters' Hall after expenses had been deducted.

Gross receipts were \$285.25, of which \$266 was from ticket sales and \$19.25 from the refreshment booth and hat check room.

Expenses were as follows: orchestra, \$84.40; rent of hall, \$15; printing, \$8.46; federal tax on checks, 8 cents. The total was \$87.94.

Committee members serving under Mayor Dusel to make the affair a success were Mark E. Ryan, vice-chairman; J. D. Hedge, treasurer; Amerigo Rossi, chairman of ticket distribution; Edwin Holmquist, hall and music chairman; A. Bertolucci, chairman of refreshments; and Mrs. Walter Sterling, decorations chairman.

The combined efforts of the cities of Burlingame and San Mateo and Northern San Mateo county, which joined in a party at Tanforan, brought \$1250 for the foundation. City Treasurer Frank Bloom of Burlingame estimated today.

Germany has lifted up more than 2,000 castles as hotels for tourists.

Henry Beeger To City Post

Has Served on Board For Twelve Years, Also as Mayor

Henry A. Beeger, for 12 years a city councilman and well-known in Redwood City business circles, Monday announced himself for reelection to the city council for one of the three posts to be filled April 9.

Beeger was first elected to the city board in April, 1922, and was re-elected in 1926 and 1930. He is now completing his third term of four years.

Councilman Beeger served three two-year terms as mayor of Redwood City.

Those interested in his candidacy have urged him to seek reelection because of his wide business training and because he is among the largest taxpayers of the community.

Councilman Beeger pledges himself to a continuance of the efforts to give Redwood City a business-like administration as called for by the charter.

The terms of Mayor William J. Dusel and Councilman Charles Hildebrandt also expire this year, and both have previously announced themselves for reelection.

Agreement Reached On Belmont P. O. Job

All was quiet at the Belmont postoffice today following an amicable settlement of differences between two claimants of the position of postmistress.

Mrs. Lovell Rousseau assumed her duties as the new appointee after the post had been vacated by the retiring officer, Mrs. R. L. McGowan.

TESTED LIGHT
for
BETTER SIGHT

EVERY SECOND after the lights are turned on in your house your eyes are busy. Each pair of eyes in your household is likewise busy. How hard these eyes have to work because of poor light, or how soon eye strain will mean the first or another pair of glasses for some member of your family, you have no means of knowing. How much harm is being done by the wrong kind of light, bare light that causes glare, you may only feel because eyes begin to hurt or headaches start.

Now the lighting in your home can be tested scientifically by the Sight Meter. By means of this delicate instrument the proper light can be prescribed for your eyes and the work they have to do in your home.

Ask to have a representative of this company call. He will bring with him the scientific new Sight Meter. To give your home Tested Light for Better Sight, he will do this:

He will place the Sight Meter on the newspaper or magazine page you are reading. Then he may say this: "You have too much direct light on the white paper. It produces glare. The light is too bright." Again he may test the light by a desk where children study. Here is shadow. Here is not enough light. Eye strain is being caused here.

Every place in every room where Tested Light can bring Better Sight will be tested in the same careful manner. To have scientifically better lighting in your home, fill out the coupon below and mail it today.

Palo Alto Port
Survey Is Asked
In McGrath Bill

Congressman John J. McGrath today introduced a bill in the house to authorize the war department to make a survey of the Palo Alto yacht harbor looking towards the providing of financial aid for excavating a channel from deep water in the San Francisco bay to the yacht harbor and a turning basin in the Mayfield slough, according to a telegram received here.

It is estimated by the city officials of Palo Alto that \$48,000 would be sufficient for the proposed work, in which approximately 800,000 cubic yards would be excavated.

In McGrath's action Palo Alto officials saw the increased possibility that Palo Alto's petition for federal financial assistance might be granted.

Redwood City
30 Years Ago

Mrs. Clark, with her son, William Clark of Pacific Grove, was here this week visiting Mrs. Clark's daughter, Mrs. Clifton C. Bacon. The steamer Tartar came up Redwood Creek this week with a 120-foot flagpole for the Folger place. The pole is a fine stick of timber and came from the mills of Hanson & Co. at Tacoma, Wash. The Stanford Register, which was issued by the university authorities this week, shows a registration of 35 students from this county. Of this number eighteen are from Redwood City, eleven from Menlo Park, three from Belmont, two from San Mateo and one from San Carlos.

Edward Sampson has disposed of his residence and eight acres of land between this city and San Carlos to Mrs. Reynolds of San Francisco. She will add twelve new rooms to the building and improve the property in other ways. Mrs. Reynolds will conduct a first-class summer resort. Mrs. Sampson has rented the Brown cottage below P. P. Chamberlains and occupied it on Wednesday.

McCreery's Brother Takes His Own Life

PALO ALTO, Feb. 5 (Special)—Hal McCreery, former Stanford football captain, left for his parents' home at Coronado today following receipt of word that his brother, Robert Taylor McCreery, 30, had committed suicide by inhaling gas in a vacant house in San Diego.

Dependancy over an extended illness is believed to have been the cause for the suicide. The body was found after another brother, William McCreery, had notified police that his brother was missing.

Robert McCreery was a former San Diego State College and University of Washington football player.

Menlo Park Burglary Confessed by Youths

MENLO PARK, Feb. 5.—Two young Palo Alto brothers on probation from Whittier state reformatory were revealed today as the confessed burglars of Joseph Duncan's service station on El Camino Real at Harvard avenue, Stanford Park.

They were identified from fingerprints taken from broken glass at the service station by Police Chief Thomas J. Kearney and Deputy Sheriff John Simpkin. Their confession followed.

The service station was broken into through a window last Tuesday night, and \$7 in change was taken.

The brothers were arrested late last week in Palo Alto following a series of theft and burglaries, many of which they have admitted. They are being held in the Palo Alto jail pending action by the Santa Clara county probation officer.

MENLO PARK NEWS

The many Menlo Park friends of Dr. Herbert H. Powell were grieved to learn of his death last Saturday at his home in Los Altos. Dr. Powell, who was dean of the Episcopal Pacific Coast Divinity School in Berkeley, had just returned from a study trip to the Holy Lands. He came to San Mateo from Virginia Seminary in 1901 and taught at the original divinity school. He obtained a doctor's degree in Semetic Languages at U.C. and was recognized authority on Hebrew. He assumed the deanship of the school in 1923 when Bishop Wm. Ford Nichols retired. As chairman of the committee on constitution of the house of deputies of the Episcopal Church and as deputy to the convention triennially since 1913 he was a recognized leader in the church.

During the late World War while Rev. Hugh Montgomery, rector of Trinity Episcopal Church served as an army chaplain, Dr. Powell was acting pastor here. He was State Chaplain of the Elks, many of whom attended the funeral services which were held in Grace Cathedral, San Francisco. Bishop Edward Lambe Parsons and Dean J. W. Gresham officiated at the funeral. Burial followed at Cypress Lawn Cemetery.

He is survived by his widow, the former Anna Louise Preston of Santa Clara, and a daughter, Mrs. Claude Gray of Los Altos.

Herbert Fleishacker, Jr., gave a dinner for Miss Mary Hamilton at the St. Francis Hotel in San Francisco preceding Miss Hamilton's debut ball which was held at the Burlingame Country Club. Miss Hamilton was presented by her mother, Mrs. Alexander Hamilton of Menlo Park, and the novel circus tent setting with merry-go-rounds, clowns, wild animals and everything else that makes a circus so picturesque added to the enjoyment.

Mrs. Thos. Cuff, Mrs. J. Christy, and Mrs. J. J. Doyle were hostesses Wednesday afternoon to the St. Joseph's Mother Club whist party in Nativity Hall. The date was advanced two weeks due to the fact that Ash Wednesday falls on the date of the regular monthly whist party.

The firemen report a very successful ball both from a financial as well as a social standpoint. Chief Cuff and the boys are to be congratulated.

Mrs. Weeden expects to accompany Mayor W. H. Weeden to Santa Barbara this week-end when he attends the Mission Trails Convention.

St. Patrick's celebration in the Hall of the Nativity will be bigger and better than ever this year. George Walsh, who has charge of the program, promises an entertainment that will satisfy everyone. Among those who will participate are the San Francisco Police Band, the Elks' Orchestra of San Mateo, O'Neill Sisters, noted dancers, Miss Jane Jenkins and Harry Jenkins, Jr., son and daughter of Harry Jenkins, county treasurer. Thomas Kane, the well-known comedian, is selected to be master of ceremony. There will be numerous other numbers on the program. The first St. Patrick's celebration took place in 1876 and with few intermissions the celebration has been given almost annually since that time. The affair is always looked forward to by the people of the peninsula.

James G. Mason, a pioneer of Menlo Park, celebrated his 79th birthday last Sunday. He came to Menlo Park from Mountain View in 1878 and for a great many years was connected with the merchandising firm of Duff and Doyle. Later he was postmaster of Menlo Park for several years. He is held in high esteem by his fellow citizens. With his two daughters, Elizabeth and Mary, he spent a part of the day at the Saratoga home of his niece, Mrs. Ida M. Owen. After dinner he returned to Menlo Park, where a number of friends called during the evening.

Miss June Braccoco, beautiful young and charming daughter of Mr. and Mrs. J. E. Braccoco, will be united in marriage to Henry Curran Sunday afternoon in the Church of the Nativity. Mr. Curran is manager of a chain store in Palo Alto while the pretty bride to be has been the bookkeeper for Tholt Brothers for several years. Mr. Curran is constructing a cozy home in Menlo Oaks close to the dwelling of Mr. and Mrs. Braccoco. The wedding is to be a quiet affair only relatives and close friends will be present at the ceremony.

Jury Disagrees On 'Live Rabbit' Cruelty Charge

MOUNTAIN VIEW, Feb. 6 (Special)—Twelve jurors trying three men on charges of using live rabbits to install the "lure to kill" in racing greyhounds were dismissed today by Judge J. M. Atkinson after they failed to reach an agreement.

They were reported to have stood 9 to 3 for acquittal. It was not known whether a second trial would be attempted.

The three defendants were Charles Primera of Mountain View, operator of a training kennels; Dr. L. T. Commings of San Francisco, dog owner, and Louis Knowland, also of San Francisco.
